

Phillip Kline, Chairperson of the Board, called the Public Meeting to discuss wastewater issues to order. Present were Phillip Kline, Michael Stump, Sam Mallatratt, Township Solicitor Gary Swavely Jr., Township Sewer Engineer Fred Ebert, Ebert Engineering, and Mary Anne Fieux. The meeting was held at the Alsace Township Municipal Building and was called to order at 8:40 am.

Fred Ebert opened the discussion stating he was present to talk about the startup of the second train at the Wastewater Treatment Plant, expansion of sewer lines in the sewer service area, and the financial status of current operations. Mr. Ebert also presented the Supervisors information about a State DCED grant specific to small municipalities with wastewater treatment systems.

The Board of Supervisors discussed the startup of the second train, expansion of the Alsace Township sewer system, financial future of the wastewater treatment system. Mr. Ebert will present information to the Board of Supervisors at a future Public Meeting.

Michael Stump made the motion to adjourn the meeting, seconded by Sam Mallatratt, and the motion was unanimously approved. Adjournment was at 9:35 am.

Respectfully Submitted,

Mary Anne Fieux  
Secretary – Treasurer
